CHRISTCHURCH

COMMUNITY GROUPS & SERVANT LEADERSHIP TEAM

Find Community • Experience Grace • Discover Purpose

WE'RE BETTER TOGETHER //

At Christchurch Miami, we believe God has given every person gifts that matter and a meaningful place in the Body of Christ. Church isn't something we simply attend; it's a faith family we belong to and a mission we share.

That's why we encourage everyone at Christchurch to have both a relationship and a responsibility: a place to grow in community and serve meaningfully.

Our goal is simple: **Everyone connected + Everyone contributing = Everyone growing!**

Our Servant Team Leaders don't do ministry alone. They help people discover their gifts, find their place, and serve together. They recruit and welcome volunteers, build teams, communicate well, care for those they lead, and create opportunities for others to use what God has given them for the glory of God and the good of others. "As each has received a gift, use it to serve one another" (1 Peter 4:10).

OUR SERVANT TEAM LEADERS ARE HERE TO HELP //

At Christchurch Miami, our Servant Team Leaders are here to help you **discover your gifts, find a place to serve, and make a meaningful difference.** They don't do ministry alone; they build teams and help others become part of what God is doing through His Church.

INVITE — Welcome you and help you explore opportunities to serve.
EQUIP — Give you the training and tools you need to serve well.
CONNECT — Help you build relationships and become part of a team.
EMPOWER — Give you meaningful opportunities to use your gifts and grow.
CARE — Know, encourage, and support the people serving alongside them.
MULTIPLY — Help develop new leaders who can serve and lead others.

The objective isn't simply to fill volunteer slots. It's to help every person discover their gifts and find a meaningful place to serve as Christ builds His Church through us as a faith family on mission together (*Matthew 16:18 • Ephesians 4:11–16)!*
